## Summary

---

I describe myself as a 'Hard Working', 'Self-Motivated', and 'Quick Learner' with a strong educational background and a passion for Java programming and Python. Currently, I am well-versed in creating Responsive HTML pages using CSS and JavaScript and have been actively expanding my skill set to encompass Backend Web Development and Server Hosting. I am well on my way to becoming a Full Stack Web Developer, with a particular accomplishment being my 'Limited Working Proficiency in Node.js'.
